Mr. Stark:

I represent Alder Energy Systems. Alder expects its evidence to be very brief, and I agree with the other parties that this matter should conclude with relative speed and efficiency.

**Subject:** DEC/DEP Solar Choice Tariff Cases Procedural Matters (2020-264-E and 2020-265-E)

Parties:

I hope this finds you well. As we are approaching our hearing date, there are a few procedural matters that need to be handled regarding Docket Nos. 2020-264-E and 2020-265-E, the DEC and DEP Solar Choice Tariff cases.

First, I would ask that everyone complete the following virtual plan, so our IT personnel can get you the required information for the hearing:

<https://www.surveymonkey.com/r/2ZJPW5W>

Please be sure to complete the survey (linked above) by close of business Friday, 3/5/21. Also – please let me know if you do, or do not, need or desire a virtual test.

Second, I note that the Commission has scheduled two days for this hearing. Due to recent experiences, I would like to inquire if the parties could give me a sense of whether the parties expect that additional time needs to be allocated for the purpose of this proceeding, or whether the parties feel as though two days may be sufficient? Obviously, I understand the dynamic nature of litigation, but I am just trying to get a sense of whether additional time may be necessary to enable the Commission to plan accordingly.

As always, if there are procedural issues that I need to address, please let me know. I will do all that I can to facilitate an efficient proceeding.

Thanks and Regards,

David Stark  
Attorney  
South Carolina Public Service Commission
